- 1. Welcome, Introductions and apologies (5 mins) IAG Chair**

- 2. Approval of previous Minutes and Actions (10 mins) IAG Chair**

Minutes approved as a true record.

- 3. Confirmation of new Chair and Vice Chair (5 mins) EB**

IAG Chair – RM elected.

IAG Vice-Chair – MY elected.

Chair is the facilitator and communicator of messages. All members are welcome to make contact as required.

- 4. Introduction of new LPA CaDO (5 mins) AS**

Ninth week in post. New to TVP, originally from Lancashire, 14 years with Lancashire Police. Started in Force Control Room, then Force Liaison, and finally Investigation Management Department Supervisor. Keen to meet everyone, new to the area so looking to learn what's going on in the area and where everything is.

- 5. Hate Crime Headlines/NHPT Update (10 mins) SB**

a. Current data

Hate crime reporting has increased, generally incidents such as neighbours arguing and road rage, verbally abusing each other.

3.28 victims per 1000 capita.

16% positive outcome rate which is above the force average of 14%. Wycombe LPA was the second highest in the force at 14%.

Hate crime is monitored at the Daily Management Meeting and all open hate crime incidents are reviewed at the Hate Crime Review Panel. There are currently 60 on Wycombe LPA.

b. Community Tension reporting

Currently very low community tensions. EB explained Op Chromium to the group, which is an operation dealing with car meets. A lot of progress has been made. TVP

have worked with the organisers to break down barriers. Good partnership working including a good relationship with the waste team. Everyone pulling together.

c. Neighbourhood Policing Team Update

Operations: Marlow Regatta and Op Aident – A real success story with partnership working.

Public confidence reassurance patrols.

Summer Burglary Campaign – One burglary in the last couple of weeks. IAG asked to spread the message encouraging people to ensure they keep their home secure, remembering to close windows when out during the summer.

Disorder in Princes Risborough.

Closure Orders – currently 1 live.

Rural Crime – drops at this time of year, tends to pick up as we go into autumn.

RM mentioned Flackwell Heath disorder issues, SB confirms this is on the NH Teams Patrol Plan.

6. Update of the Positive Engagement Action Team – PAET (5 mins) SK

Team was started 2 years ago. PC SK joined this year, worked W&M previously but is from Wycombe. Team of 6 and 1 sergeant. Visit religious establishments, attend events to encourage people from diverse backgrounds to apply to the police. Assessment centre will support. Offer 'meet the family' sessions – held one at the community centre in Cressex.

Encourage contact from IAG to give advice and for PAET to be involved in events.

7. Building Confidence (10 mins) EB**• Recent Operational activity**

Wycombe Police tainted by incidents that are happening elsewhere. Trying to use Social Media to promote the good work and success stories in an attempt to build confidence in not only the wider, but also confidence in the local police.

Need to work with the IAG to look at what we can do locally to build the trust and confidence. We need victims and witnesses of crime to be confident in coming forward to speak to us to help with investigations. CaDO is key with building relationships with community members.

- **Police Race action plan**

Launched by the National Police Chiefs Council (NPCC). Recent statistics show there is 10% less confidence in the police in black communities. The plan is internal as well as external. The IAG should be vibrant and used to give communities a voice.

Wycombe Diversity & Inclusion Panel.

TVP have a number of things to do to bring the plan to life.

SJ – should make use of TVAlerts. Neighbourhood Watch (NHW) also have 4 wards with 4 newsletters that could be made use of.

SB - Neighbourhood Administrator will be joining and will assist with messaging. Vetting going through, but likely to be another couple of months.

MY – when want to use IAG to cascade messages, would be useful for a statement to be sent via RM in a format that can be shared.

EB – most powerful can be retweeting/sharing messages. Police are tied by legislation – cannot release names until family members are notified. If you are aware that the police have been at incidents can share this if people are questioning ‘where are all the police?’

- **Violence against Women and Girls**

Safer spaces – MY conducting ‘bystander’ training.

Want a vibrant town centre where people feel safe in Wycombe Town Centre.

8. Stop and Search (30 mins)

EB

BWV discussed.

- **Review of Body Video footage of searches**

Clip 1:

Did the officer give clear grounds for the search? Yes

Did he explain what they were looking for? Yes

Did he explain who he was? Yes

Did he say which station he was attached to? Yes

Did he explain entitle to a copy of the search record? Yes

Did he say the legal power of the search? Yes

Did he make it clear they were detained for that search? Yes

Overall explanation fair under the circumstances? Yes

Was the subject handcuffed? Yes

Was this explained? No

Do we think the use of handcuffs was justifiable/proportionate under the circumstances? No – lad was not playing up. Put the handcuffs on but didn't seem to be a point to this. Unsure if fair because it wasn't explained why he was being handcuffed. An explanation could have made it reasonable.

Grade the officers use of handcuffs including explanation of why? Requires improvement.

Any other force used? No

How do we feel the overall communication was? Reasonable. Seemed a little short at the beginning of the exchange, but opened up avenues as opened up and aware that other officers would be attending.

The overall interaction – would it have been considered a positive encounter? More positive than negative.

Bring back to the next meeting.

Clip 2:

Did the group feel a good explanation was given for the search? Yes

What they were being searched for? Yes

Did the officer give his details and which station he is from? Yes

Did they explain they were entitled to a copy of the search record? Yes

Legal Power of the search explained? Not sure.

Did they make it clear they were being detained for the search? Yes

The overall decision and explanation surround the search fair? Yes

Why were they handcuffed explanation clear enough? Yes

Was it clear? Yes

Justifiable to hand-cuffed under the circs? Yes

Any other force used? No

Overall was the communication with the subject clear/effective/dignified/respectful?

Yes, think so, even though they were unhappy about it.

Do you think it was a positive interaction? To a degree, but when someone is getting irate you have to change how you deal, so under the circumstances yes,

Action: Ensure Chair and Vice Chair have the opportunity to choose the footage a week before. To ensure quality and length is checked prior to the meeting.

Action: To disseminate the form with questions before meeting to members, so can check off as go through the meeting.

9. Members Feedback / Issues to raise (5 mins)

All

N/A

10.AOB**IAG Chair**

N/A

11. Agenda items requested for next meeting:**All**

RM will gather for the next meeting.

Next Meeting Dates**Thursday 15th September 2022****Thursday 8th December 2022**
