

Stop and Search Independent Advisory Group

Purpose

To assist Thames Valley Police in its delivery plan action to “Maximise the effectiveness of Stop and Search whilst minimise its negative impacts”.

To do this through acting as a “constructive and critical friend” to the force in terms of evaluating and monitoring:

- Performance and Practice
- Training
- Policy Development
- Impact on Local communities

Membership

To be drawn from the membership of Local Police Area IAGs in Thames Valley Police through the seeking of volunteers.

It will be possible to co-opt suitable interested parties from outside the IAG network at the discretion of the Chair of the IAG in consultation with the force.

Frequency

A minimum of twice per year plus any additional meetings associated with ‘Task and Finish’ group work.
